

Advancing Family Engagement in Health Care Quality Improvement

2017 CYSHCN Projects Summit

November 14, 2017

9 am – 3 pm

Best Western Premier Waterfront Hotel, Oshkosh
Athearn Ballroom

AGENDA

Learning objectives (participants will be able to:)

- Review the UW Center for Patient Partnerships' Five Categories of Patient Engagement.
- Discuss strategies to overcome barriers and promote successful youth and family engagement in health care partnerships and quality improvement efforts in all categories.
- Share work of teams focusing on Shared Plans of Care, Youth Health Transition, and Medical Home including lessons learned and plans for sustainability.
- Determine how initiatives sponsored by the Wisconsin Department of Health Services' Children and Youth with Special Health Care Needs (CYSHCN) Program, Wisconsin Medical Home Initiative, Youth Health Transition Initiative, and other CYSHCN collaborators promote high quality, integrated care using shared care planning and family engagement for Wisconsin children and youth with chronic conditions.
