

Referral Decision Matrix

<p>Follow-up Level 1 <i>No or minor concerns</i></p> <ul style="list-style-type: none"> • Provide parent with ASQ-3 Activities from User's Guide • Rescreen in 4-6 months 	<p>Follow-up Level 2 <i>Monitor and/or refer to community agencies other than *EI/ECSE</i></p> <ul style="list-style-type: none"> • Provide information, support, and guidance to parents • Provide parent with Ages and Stages Learning Activities specific to area of concern • Refer to health care provider or other community resource as needed • Rescreen areas of concern 	<p>Follow-up Level 3 <i>Refer to *EI/ECSE</i></p> <ul style="list-style-type: none"> • Provide information, support, and guidance to parents • Refer to *EI/ECSE • Refer to health care provider or other community resource as needed
--	--	--

Other Considerations

Review overall questions/parent concerns. Any concerns (regardless of ASQ scores) may warrant a referral to *EI/ESCE or other agency.

Consider environmental factors that may have influence on child's ASQ-3, such as opportunity for child to practice items, child's health and culture.

Key:

—▶ Majority of children will need this follow up

- - -▶ This follow-up may be appropriate given "other considerations"
