

Referral Options for Children with Concerning Screening Results

Referral Resource	Children Served	Tool Used	Method Used	Cost	How to Refer	Other
Birth to 3 Program	Newborn to 3rd Birthday	ASQ-3, ASQ:SE; Early Learning Accomplishment Profile; M-Chat; Denver II/DAYCE (occasional)	Home or other natural environment for child	Screening is free. Evals are billed to insurance. If insurance does not pay, then the county Birth to 3 funds will pay. Services are billed to MA or private insurance. What is not covered by insurance is covered by a minimal family cost share and/or county Birth to 3 funds.	Call (920) 459-3030 and ask for the Birth to 3 Program. Please include child/parent name, address, phone number and area of concern if a message is left. If faxing (920) 459-4353, please include all information listed above and the screening tool used during MD visit if known.	Any individual can make a referral whether it is a doctor's office, specialty clinic, parent, relative, other caregiver, community agencies, etc. We appreciate the family being notified of the referral and emphasize that Birth to 3 is a voluntary program.
Parents as Teachers (PAT), Family Resource Center	Birth through 3 years old	ASQ-3	Home visit	No cost to parents	FRC is a designated "Child Find" site. We will also do an ASQ on a child who is not enrolled in PAT, most often at the request of the parent (such as the sibling of a PAT-enrolled child).	We refer children who score below the cut-off to Birth to 3 and/or to the child's health care provider.
Sheboygan Area School District	2 1/2 to 5 years old	First Step Screener	Child Find screening using First Step Screener.	Free to the parent. If the child is on medical assistance(MA) we bill MA for the evaluation.	Call (920) 459-4330 to schedule an appointment for Child Find. Appointments are available from 8:15am until 4pm on the first Wednesdays September through April.	A referral to Child Find can result in pass, re-screen, or a referral for special education services. Parents can request a special education referral. SASD also works in conjunction with Birth to 3 to transition children to the public schools when appropriate.
